

“One way or another, the choice will be made by our generation, but it will affect life on earth for all generations to come.”

LESTER BROWN, EARTH POLICY INSTITUTE

Tsewang Norbu was selected by his Himalayan village to be trained at the Barefoot College of Tilonia, India, in the installation and repair of solar photovoltaic units. All solar units were brought to the village across the 18,400-foot Khardungla Pass by yak and on villagers' backs.
